Short-time work Austria phase 4

Extension of Corona short-time work/Kurzarbeit for Phase 4 from 1 April to the end of June 2021

✓ Corona short-time work will continue on essentially the same terms as current Phase 3, resulting in only minor changes to the social partner agreement.
✓ The net replacement rates for employees of 80% to 90% will remain unchanged.
✓ There will be an even stronger focus on education and training in short-time work phase 4.
✓ Minimum working hours of 30%, Exceptions - e.g. for companies in lockdown - will still be possible.
✓ New applications will have to be submitted in any case.

Workforce

As before, companies must in principle maintain the number of employees during short-time work and may not dismiss employees until one month after short-time work.
